## **Aventurec Kayaker Code of Conduct-Please Read**

### **When in the Palapa**

1. Do not smoke under the Palapa.
2. Do not bring any food or beverages into the hostel area or Palapa.
3. Let us know the night in advance if there will be any variations to your meal pension so we can have the correct amount of food made for everyone.
4. Understand that the consumption of drugs anywhere on the premises will not be tolerated.
5. Out of respect to other guests, put an end to any excessively loud gatherings, music or other noises after 10:00 PM.
6. Report any damage to the facilities **AS SOON AS IT HAPPENS**. There will be a charge for any damage to property that was not caused by natural use or wear.
7. Hang all wet items in the designated spaces throughout the facilities.
8. Do not enter the kitchen or other staff only areas.
9. Pay your stay tab weekly to ensure that it doesn't become a red-eyed monster.
10. Serve yourself ONLY what you can eat and eat EVERYTHING that you serve yourself. We are very fortunate to have plenty of food to eat but many in this world do not. Here at Aventurec, we believe it is unethical to waste food.
11. Know that 'Half Pension` meals only include coffee during breakfast but you can still purchase some from the kitchen if you need a pick-me-up cup.

12. Exercise responsibility with your own possessions and gear. Aventurec is a busy place and many kayakers have the same brand of equipment, which can lead to stuff easily being misplaced or stolen.

### **When in the Bathroom/Hostal/Cabin**

1. If lodged in the hostal, please bring your own sheets and pillow.
2. Bring your own towel.
3. ALWAYS dispose of toilet paper in the trash cans next to the toilet.
4. Alert a staff member if toilet paper is needed.
5. Alert a staff member or attend yourself to any toilet malfunctions that were inflicted by you.
6. Alert a staff member if there are any issues with the running hot water.
7. Do not use towels as welcome mats if they are given.
8. Respect our living space as you would respect your living space.

**Please note:** Aventurec is located in a very humid jungle and the weather is not always warm, sunny Mexico; there are plenty of cold days. Be sure to bring warm clothes for the river AND for the time you are at Aventurec. Also, the mosquitos here are small but they travel in packs, the best way to prevent bug bites is to wear long clothes because bug spray does not always work.
